Your Review: We are pleased with the assistance that my step-father receives at Cinnamon Cove. We feel it has a nice, warm, home-setting. The staff are patient and very helpful. My step-father moved from NY in 2013 with my mom and she passed in 2014 from cancer. He has been facing many medical issues in his own life, and has moved into the facility in May of 2015. Since then, they have tried to make his stay as comfortable as they can for him, and we are very grateful for that.
